BUILDING BLOCKS FOR A RICHER LIFE

| Show Opening Today: November 13, 2009 10:00 AM CST |

30 x 5 Holiday Invitational *November 13 - December 4*

The 30 x 5 show started in December 2003, with the simple concept of providing variety in form, function, and price to buyers during the gift season, including some sculptural works. The show has remained true to that spirit since, with an increasing focus on newer artists. None of 2009's invited potters have headlined a show before at AKAR.

New Ceramic Work Coming December 4th

Just in time for late shoppers, a last batch of new ceramic work from some of our favorite potters for the holidays. A few spare tumblers from [John Glick](#), coffee mugs from [Ryan Greenheck](#) of Philadelphia, [Jim Gottuso](#) bowls and cups (pictured), plus a variety of forms from [Susan Dewsnap](#). The [New Work page at akardesign.com](#) is updated often with the latest additions to the gallery's selection of ceramics.
